Need Teller Training?

The just-released Modern Teller Training 5 (MTT5) gives new tellers the fundamentals they need to get up-to-speed quickly. Now in its fifth generation, MTT5 has been training tellers across the nation for more than 30 years and is the industry's premier teller training system. With 10 in-depth courses that can be conducted in self study or group training modes, MTT5 gives you:

■ Comprehensive Training

10 Workbooks, 1 Administrator's Guide & 10 DVD/VHS videos make up a training system with of more than 800 workbook pages & 3 hours of in-depth, role-play packed video training. It's the most current & comprehensive teller training system in the industry.

■ Everything Your Tellers Need to Know

With MTT5, your tellers will learn technical skills—such as how to count cash, balance out, handle transactions. Plus, they'll learn the security, customer service, cross-selling & compliance information needed to do the job.

■ Customizable Training

Customize MTT5 with your institution's specific policies & procedures. Plus, choose from 3-, 4-, 5, 6- & 7-day training options. You can also use the Fast Track schedule for refresher training.

■ Engaging, Memorable Content

To ensure that MTT5 content is memorable and retention is high, more than \$500,000 went into its research, design & production. The result: High-quality training that engages employees with interactive video role-play exercises.

■ No-Obligation Preview

Get a no-obligation preview that includes a workbook & a video containing all 10 course programs at no cost to you. For your convenience, we also pay round-trip shipping. Contact your training support manager at (800) 442-8662.

■ 63% Series Price Savings
